The Secy to the Hon'ble the Resident
F. 571(1)-40/Pol & 3rd Dec. 42 with shifting
the telephone pole on high tension wires
on side of the New playing fields
the Indian Institute of Science.

It is seen that there are 3 telephone
poles and 5 poles carrying high tension wires
in the New playing fields as the Resy desires to
arrange for shifting the poles slightly to one side of the
New playing fields at an early date.
The S.S.C.P.S may be consulted whether it is
practicable. Submit for orders with a draft.

War 3

Dated Bangalore, the 3 December *1942.*

Site in the Indian Institute of Science for the location of a wireless vehicle.

SIR,

I am directed to state that the military authorities have obtained the permission of the Director, Indian Institute of Science, to use the Institute cricket ground as a site for locating a wireless installation on condition that they will convert, at their cost, a fresh area of land in the Institute ground into playing fields in replacement of the existing playing ground. There are 3 telephone poles and 5 poles carrying high tension wires in the area which is proposed to be converted into new playing fields, and the Institute authorities request that arrangements may kindly be made with the Government of Mysore to shift them so that they do not interfere with games.

2. The Hon'ble the Resident trusts that as the old playing field has already been handed over to the military authorities, there will be no difficulty in arranging to shift the poles slightly to one side of the new playing fields at an early date.

I have the honour to be,
Sir,
Your most obedient servant,

SECRETARY TO THE RESIDENT.
